4. Terms & Conditions

De Micco & Friends will analyse all data and documents of the client regarding an immigration application to Europe/Spain. Of course all data of the client will be handled strictly confidential. The analysis takes between 7 and 14 working days. After the analysis De Micco & Friends will send a letter (eMail) to the client with recommendations. This analysis does not include the residency or visa application fees and costs. If the client decides to start an immigration process, the client will get a new offer by De Micco & Friends which includes the procedures and the costs. As each application and personal situation is different and the last decision have always the local authorities, De Micco & Friends gives no warranty for the success of a residency or visa application.
